Dear Madam/ Sir,

Letter of Motivation

As an ambitious student from (your country), I, (your name), am eager to pursue a (degree/ course name) at the (name of university). I have a deep passion for technology. (University name) renowned faculty and research facilities make it ideal for my aspirations. Studying at this university will equip me with the tools and opportunities to excel in my field of interest.

In my academic journey, I achieved 80% in Class 10 (2017) and 83% in Class 12 (2019) at xxx school under the yyy board. My IELTS Academic score of (mention IELTS marks) ensures I am prepared for the curriculum and international community at the university. I am eager to further my knowledge and skills in Germany's diverse learning environment.

Germany's academic excellence and practical learning focus attract me. Munich's vibrant cultural scene, history, and architecture provide an ideal backdrop for my education. By studying in Munich, I aim to broaden my academic horizons, embrace a new culture, and expand my global outlook.

ABC University's reputation in (your course) aligns with my goals. The university's practical application focus, industry partnerships, and cutting-edge facilities are appealing. Munich offers a rich cultural experience and a high quality of life, ideal for academic and personal growth.

My parents support my education in Germany. My father, (father's occupation), and my mother, (mother's occupation), have worked hard to provide this opportunity. With a program fee of €XYZ, half covered, and an annual household income of €XYZ, we are financially stable. I also have a fully funded scholarship, easing the financial burden.

After completing my studies, I aim to return to my country and contribute to the technology sector. With a (name of degree; for example, software Engineer here), I plan to excel in software development and secure a position as an IT Project Manager in companies like SAP, Siemens, or BOSCH. By returning to India, I aim to advance my career and contribute to the nation's technological progress.

I am confident that my application will be positively considered for a German study visa, which would enable me to pursue my academic goals diligently.

Yours Sincerely

Your Name.
